“ To the Family of Rosie Leaks

You have my deepest and heartfelt sympathy. I know your hearts are grieved and I pray that you will rest in complete assurance Remembering, Always and Most Importantly Mrs. Leaks had accepted JESUS as her LORD and SAVIOR.

In II Corinthian's 5:1 "For we know that if our earthly house of this tabernacle were dissolved, We have a building in heaven that comes from GOD, and Eternal house not built by human hands, eternal in the heavens."

So, On Friday, June 3rd JESUS Dispatched HIS Choice Angel to usher Mrs. Leaks into HIS Presence with Exceeding Joy. To set her free from this old mortal clay and to bring her rest from all her earthly toil and labor. As each day passes you, will miss her from your presences But Remember, WHO'S presences she is in and let JESUS'S words in John 14 Encourage you and give you Hope. "Let not your heart be troubled: Yes, Believe in GOD believe also in me. In my fathers house are many mansions if it were not so, I would have told you. I go away to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to MYSELF; that where I am, there you may be also."

Being absent from the body, Mrs. Leaks is now present with her LORD and SAVIOR JESUS CHRIST, THE CHIEF SHEPHERD. (II Corinthians 5:8)

I encourage you, Family to Thank and Praise GOD for the beautiful legacy of love and gracious memories that Mrs. Leaks stamped on your Hearts, your Minds and most of all your Spirits. The contributions she made to each of you her Family, her Church and her Faith in JESUS as her LORD and SAVIOR are Priceless!

Because of Mrs. Leaks confession of Faith in JESUS, And all who make that same confession of Faith will see her again and will be able to rejoice together in GOD'S presence for all eternity.

I believe as a Christian mother that Mrs. Leaks was pleased and honored for how each of you loved, cared and respected her. However I know that GOD was pleased because you demonstrated, you lived Ephesians 6:1-3 which tells us " Children, obey your parents in the Lord, for this is right. Honor your father and mother which is the first commandment with a promise so that it may go well with you and that you may enjoy long life on the earth."

I Pray The GOD of All Comfort, The Promises in HIS Word, The Ministry of THE HOLY SPIRIT, The Love and Fellowship of Family and Friends will Comfort Your Hearts, Minds, Spirits and give You Peace, Favor, Wisdom and Strength for the Journey ahead.

*And lastly, I Pray You will hold fast to Proverbs 3:5-6
"Trust in the LORD with all your heart, And lean not on your own understanding; In all your ways acknowledge HIM, And HE shall direct your paths."*

*In JESUS, Service and Love

“ *My Bigmomma, you were and icon, a women with many different layers. A very important person in my life and now you are not here, but you left behind all of your love, wisdom and strength to us all. Words can't explain the impact you had on me throughout my life. I learned from you how important family and support was and modeled this when raising my own sons. I am so glad I got the chance to speak with you the day before you transitioned. I will miss you Bigmomma, rest is Heaven.*

“ *Bigma, my girl. What I ‘d do for one of those mmmmmhshhhhh (kisses). We were special. Because not only was you our grandmother but we had the pleasure of growing up in the house with you. You help raised us. I’ll never forget you being our alarm clock, the pressing combs on Easter, church on Sunday, the Carmel cake, sayings like “one monkey don’t stop no show’ lol, our conversations (we could tell you our deepest secrets and you wouldn’t tell a soul). The thing I loved most is you never Judged. Even when they said I was crazy you knew I wasn’t lol ;) You loved all of us despite our short comings. I like to think I get my “sass” from you along with so many other qualities. You raised us to be God fearing, loving, independent, strong, and make sure we always had a good time. We had many with you. I had 32 years with you and I ‘m proud to be one of yours. Take ya rest my girl, you have finished your assignment. We shall see each other again.*

*Love you bigmommy

“ *Big ma,*

You served quite a purpose on this Earth and preset many generations of VERY strong women. That is sooo commendable to me. You lived your life with Sass and grace & that is exactly what I strive to do within my lifetime.

You've left behind a plethora of memories that will truly be missed and never forgotten. I love you!

*With love,
JoMari (Cai)*

“ *Bigmommy..... to start this off you left me alone with granny lol. Thank you for loving me and caring for me as your own. You have done nothing but encourage me to do better every single day. I'm going to miss everything about you from helping me with my laundry at 22, taking shots with me , yelling at me to turn the music down, taking 3 days just to get you lottery tickets, teaching you how to twerk , and the list goes on 😂. I love you and miss you so much. I'll see you again one day and when I do be ready for our twerk battle*

“ Where do I begin? Bigmommy.....the one who was a pillar in my life. You nurtured, loved, encouraged, disciplined, & supported like only a big mama could. I could share my darkest secrets with you without judgement. You would respond with what or how you would have done and shared your story about a similar experience. I'm so very grateful to God for sharing us with you long enough for my boys to also get some of those same experiences. I'm holding on to so many memories that many don't get with a grandmother. Your laughter, sass, loud voice, sayings and dancing will forever be etched in my heart.....loving & now missing you #forever&always

“ My Rosie Posie..... I will never forgot the many conversations we had. Your family was most important and you didn't hold your tongue on telling it the way it was. You often said " Your word is all you have". Wow! When you held my hand that last night, I just was trying to make you comfortable but you were assuring me with your touch. I have enjoyed coming up with all the themed parties and making sure I created the picture books for you. My sassy lady...Rest, you have served well! Our family is BLESSED!
