“ Ruby, My grandmother (Jessie Lee) Niece, whom always been in my life. She always demonstrated how family should show love to each other. Ruby would pick us up from detroit and take us back to Chicago to stay with her and Denise many of summers. As life went on she was always present and got to know the next generation here in detroit. I am proud to say as an adult I got a chance to treat her like the queen she IS.

“ Lighting a forever candle for my Auntie Cuz Ruby Jewel. I will always remember the time we sat up laughing and talking all-nite over Corliss house in Detroit. That's when she went from Cuz to Auntie Cuz. So much family history and so many stories. One Family, One Heart, One Love
