“ *Ms. Vanerson was the captain of our residential block, her tulips were always the first to bloom and she was the block mother for everyone. She loved, everyone on the block, and was there to assist you whenever you needed her. Her spirit was always one of optimism and her smile would light up anyone's dark days.*

Even during her long illness she was still able to smile and show the world the lovely spirit that the Creator had given her.

Ms. Vanerson, I am so glad that I phoned you the Saturday before this Easter Sunday, you will always be in my heart; I and my family, we will never forget you.

Rest now, for we will see one another again in the kingdom.

I love you,
