“ *My sincere condolences to the Couch Family during their bereavement and grief from the passing of their beloved “Rusty.” One of my fondest memories of Rusty was his great musical talent of playing the trumpet, and practicing in the neighborhood. When I spoke to Rusty a few months ago, he took pride telling me that he earned a position in Parker High School’s Band playing his cherished trumpet!! I’m blessed to have Rusty’s memory and will always remember his strong personality, his smile, his faith, his spirited conversation and his face. Lastly, we’ll miss Rusty but God seeks to repossess what truly is His own.*
