“ I am thankful for the time spent and the memories created over the past couple couple of years cousin. You will be forever in my heart. Most people don't know we shared the same birthday and though we never got a chance to fully celebrate together, March 8th will be even more special for me from now on. I have never been much for making a big deal about my birthday but from now on it will be a big deal in remembrance and celebration of you. Love you. S. Macon

My Big Bruh has played a vital role in my life from the very beginning and into our adulthood. He was the man of the house at a very early age; he certainly kept me out of harms way, made sure there were Christmas and birthday gifts for Fred and I, he absolutely made sure I stayed focused in school which resulted to me being able to graduate. He joined the Marines and I followed he and Uncle J's footsteps and joined the Navy. As Sheldon would always say "Lil Bruh, I am so proud of you". I am so glad that I let him know that I to was so VERY PROUD of him and thanked him for everything that he did for me throughout my life. I'm most thankful that God blessed me with the opportunity to give Sheldon that constant reminder of how much i love him. I will miss him so much; my heart is truly broken and I know I'm not alone as he has touched the hearts of so many people. On sheldon's behalf, I want to thank each of you for always being there for him. Thank you for the beautiful flowers, well wishes, and kind words.

Rest In Peace Big Bruh! Gone but you'll NEVER be forgotten. I love you TREMENDOUSLY,

Lil Sheldon, your Dad would be SO proud of you for the courage and compassion you displayed towards Calahan Funeral Home in setting up funeral services. I can't thank you enough! STAY STRONG and keep your head up.
