“ Kathy, Mrs Swanson and family. I have a really fond memory of Mr Swanson. We were attending an event on a boat on the lake. I accepted a dance with Mr Swanson. I admit I was expecting a little two step style dance. Well, Mr Swanson danced me off the floor. No small two step here, he had all the moves. I didn't know what to do, I tried to keep up but let me say....age is just a number! I couldn't keep up!
In all of our interactions, Mr Swanson, was cool, calm and collected. Always a kind gentleman with kind words to share.
Kathy, you were raised well and his influence shows in your life!
God Bless,
Leslie Brown
