“ *It was an honor and privilege to meet Stacey 15 years ago on the campus of Lane College in Jackson Tennessee. Stacey showed an in interest in joining our Illustrious Alpha Gamma Chapter of Sigma Gamma Rho Sorority,Inc. It was then she expressed love for sisterhood, scholarship, and service. Over the years we witnessed Stacey blossom into a woman of strength, courage, and resiliency. Stacey always greeted us with the biggest, tightest, and warmest hugs. Her personality and smile was vibrant and contagious. Watching her become a mom was amazing. The love for Lawrence and Zuberi was shown in every way possible. I particularly loved how she would "go live" on Facebook exposing them to various cultural aspects. My thoughts and prayers are with her sons, parents, siblings, family, friends, line sisters, and Sorors. May God continue to provide strength. Rest well my Soror- Omega Rho*

“ I am acquainted with Stacey because "the boys" attended our daycare/learning Center. I remember Stacey as being a very friendly, kind, chatty, high-spirited, lively person. She would always enter the Daycare... with the biggest smile and speak to me with a most lively greeting! I am deeply saddened and affected by your loss of her. I pray a constant stream of God's care, comfort, peace, love, and grace over the entire family, friends and all who are connected and affected by your loss in Jesus' name amen.

“ I would like to extend my heartfelt condolences to everyone that has been impacted by the loss of Stacey. It has been hard to fathom words because the thought of losing her has been devastating. Stacey lived life to the fullest, complimented with a SMILE, and unapologetic confidence in herself. I remember one time we were having a Sorority event. Stacey PROUDLY walked into the room, came over to me and said, "Timika do you have some lotion for my legs?" And when I looked at Stacey legs, we both cracked up laughing. She was so achy; another Soror thought she was wearing white stockings. Another memory was when she came to the Homecoming Tailgating wearing a pink coat. No matter how many times we teased Stacey about her coat being the wrong color. She replied with that SMILE, "I don't care what y'all say; my coat is warm." Her aura to live life to the fullest (even in her parenting) complimented with a SMILE was contagious, and I will greatly miss that about her. I pray for her family, and I ask that we continue to shower her boys with the love we all know she showered them with. Rest in Heaven Soror.

“ Stacy was such a sweet spirit, so silly, carefree and did not meet a stranger. Gone too soon and too young. Praying for her children, parents, family, friends and Sorors. Our sisterhood is more than tailgates and strolling. When one hurts we all hurt. #OmegoRho

“ *she always had a smile, treated everyone with kindness. She came to work with enthusiasm and cared for her clients.*

*She always spoke of her two boys. I can't think of the young lady who works in the mental health department with APD, she was in her class. All three of us bonded over our zodiac signs.*

*God Bless her boys and family.*

“ *So proud of the way Stacey spent quality time with her boys. No activity was too expensive for her boys to attend. She personally took her boys to events you see on television or in a book. I would always compliment her on doing such a good job raising her boys and being a good mother.*

“ *Stacey has always stated that I enriched her life. I pray that she knows how much she enriched mine. Her spirit, positive view of life and always seeing the glass as half full is to be marveled. Her desire to leave the world better than she found it should never be questioned. And, above all, her thirst for knowledge and love for her boys is unparalleled.*

*Gwen and Chanelle, know that although she's no longer in the physical realm she is still here. Stacey leaves you with a bundle of memories and a treasure chest of love. I, as you know, will always avail myself to you. Thank you for sharing this beautiful soul with me. I will always treasure the relationship that we had. Lovingly,

“ Stacy Jones is a member of the Brown-Roberts extended family. In order that we keep in contact and have knowledge of family members, we would have family reunions, picnics, and other events for this purpose. As the family member aged it was important to get younger members involved Stacy stepped up as a member of the younger generation. Stacy was very concerned about her sons knowing as many of their extended family members as possible. I miss the family meetings and Stacy's involvement as well as her sons.

“ For a short time, Stacey worked with a resident that was living in the building I work in. I would always see her pull up in her truck and rush inside the building with her computer bag and her files. No matter what she was always wearing a smile and in good spirits. Her beautiful spirit and energy will definitely be missed. She is one of those rare people you meet that even if you met her in passing you will definitely remember something positive about her. I am praying for strength for her family and especially her children sending my condolences and continued prayers to you all.
