“ *My deepest condolences to the family. sometimes we cannot find the words to express how we feel when we have to sympathize with others over the death of a loved one. I have always found comfort in God's word the Bible. Here is a sure hope - the Bible says "The hour is coming in which all those in the memorial tombs will hear Jesus' voice and come out". Jesus Christ promised that all those in Jehovah's memory will be resurrected, or brought back to life. Instead of sad announcements that people have died, joyful reports will tell of those who have been restored to life. What a delight it will be to welcome loved ones from the grave.*
