“ I remember living in Bankhead when I was super young. I was in second grade and I was only a 3 min walk away from my uncle house. I loved going over there just to see him. He always knew how to make me smile and laugh and he was always a vibe. I just loved knowing if we were going on any trips or traveling we might just go see uncle at. I hope he knows how much I loved him and how much I wanted to spend more time with him.
