“ *Tina Louise Garrett*

“ *Remembering my childhood friend, classmate and neighbor Tina with fond admiration. It was always a pleasure visiting the Garrett home and spending time with the family. Mrs. Garrett was always supportive and mentoring. I loved running races with Tina, as she was quite the competitive athlete. Although our transfer requests to attend Crispus Attucks HS were denied, we always supported the basketball team, where her dad had once coached. We went to Hinkle Fieldhouse to cheer for the team with our stuffed tigers in tow.*

*Thanks for all the memories Tina. It was fun growing up with you. My thoughts and prayers are with the family at this time.*

“ *We remember Tina from our neighborhood growing up and from the school we attended. Tina and her family were genuinely caring and friendly. Our prayers are with the family at this time and may God provide peace and comfort in the coming weeks.*

*I am sorry that I did not know that Tina passed away so long ago. She was a wonderful person in every way. She and I worked together at the City of Chicago in the Law Division. We even tried some cases together where I was impressed with her knowledge and professionalism. I think of her very fondly. RIP Tina.*

“ I have worked near and with Tina for my entire career as a lawyer. Her life-filled, life-loving, bold, playful, deep, and soulful presence taught me so much about what I should aspire to as a human being and a lawyer. Nearly, without exception, every person whom I have seen Tina interact with whether it be a close friend, a client, an opposing counsel, colleague, the person down stairs, all of the people I have known in the City, and the Law who speak about Tina when they really speak about Tina have a warm fullness and softness in their voice and I know in their hearts. I feel blessed to have known her and she will be missed.
