“ *In loving memory of our beloved friend and sister in Christ, Vannett. It is very difficult to imagine not seeing your smiling face or hearing the laughter of someone that has been so dear to our family. We will always cherish the family gatherings and the many times we traveled together. We know how much you loved your family, yet you had enough love to share with us. We thank you for being a friend and a sister.*

*God knows what's best for us all, you fought a good fight, finished the your course and kept the faith, now take your rest. You will be missed.*
