“ Vera was a person small in stature yet great in spirit. For many years, Vera & I were colleagues at the Office of the Chicago City Clerk. During that time of high stress and consistently long hours, I came to know Vera as an incredibly kind and thoughtful friend who was also possessed of a steely determination. Though one encounters many people through life's journey, it is a true gift if among those many we come to know some who leave us with a lasting impact. For me, Vera is among those precious few.

“ God has a beautiful angel in his arms, with grace and mercy, Vera was the most gracious, soft spoken and kind hearted person you'd ever meet, said what she meant and meant what she said, sending my heartfelt condolences to her family at this most difficult time, she touched so many just by her presence, she taught so many that were unteachable, she will never be forgotten.
