“ *God has truly called an Angel to come home. Although this was truly unexpected, there's never a set or scheduled time to leave this Earth. Vincent (Vince), to state that you are going to be truly missed us an understatement. I personally have known you for over 40 years and you didn't change up on me one bit. From your wonderful and charming personality, your smile, your crazy laughs, but to top it all off... That deep Bass/Baritone voice that was amazing. As I speak for our close friends from 49th & Calumet, the memories that we all shared on that block are priceless. Grade School memories from Anthony Overton on 49th & Indiana, (Great times) And then there's our High School, Jean Baptiste' Pointe DuSable.. Some of the BEST times EVER!!!!*

To your Mom, Ms. Pat, your Brother Maurice, and your loving daughter who I haven't seen since she was little, you all are truly in my prayers and have my deepest condolences... We love you Vincent and we will miss you dearly...

“ Good evening I'd just like to say I loved my father very much I have so many good memories with him and so much more love I wish I could give his memory will forever be in my heart I remember when he gave me my love of basketball when he would take me to the court and pick me up to put the ball in. Or when we would sit at the table and color or draw. Or when he took me to the beach to play in the water. Or when I would hold on to his neck when we would dive in the pool so many good memories I cherish I thank Yahuah that I was able to spend time talking with you and the kids this past months and to see you doing so good I'm thankful I got have such a good conversation with you and got to express to you just how much I love you and care about you. You never did like to say good bye so let's not as you always said. I'll talk to you later but in this case I'll see you later daddy R.I.P

This really hurt, it feels like losing a son that how I felt about him. When my daughter Yolanda first brought Vincent home I knew then he was the one. He was always respectful and kind I was happy he was joining our family. And when my granddaughter was born ooh he really cherish her and love her soo much. I'm truly grateful we got a chance to know and love you. We are really going to mis you. Thank you so much for giving us a beautiful granddaughter and threw her 3 beautiful great grand babies. It's not easy to lose a love one here's a scripture that might help Act's chapter 24 verse 15.

I was Vincent's counselor I am the support program manager at the program where he was . I didn't know him that well he had just transitioned to our program a few weeks prior. What I will say is he was open and honestly seeking to be better. He was so proud of his new life . I must say I was looking forward to seeing the transformation. RIH prayers to the family .

I'm soo sorry for the loss of Vince. He was a great brother in law. Lots of fun memories of him. Just thinking back when my niece Krystal was born and how much Vince loved her. I let him and Yolanda practice with my kids in preparation for Krystal. I enjoyed the free babysitting 😊. My kids and my husband all loved Vince. Keeping the family in my prayers.
