“ *I am months late, but I just want to say this woman was the most Loving educator I have ever had the honor of having. This woman was like a second mother to my younger brother and I while I had gone to Burr back in 2004 and earlier. I send my love and prayers.*

“ *Ms Scott was my principal at burr back in the 90's. I thought of her and wanted to connect. I am so sad to find that she has passed. She was an amazing and strong woman who inspired me to become the best I could be. I truly looked up to her. My condolences to the family.*
