“ Wonderful Walter was the best uncle in the world. One and only. Walter was and IS love. Who else would take you riding with the top down on 40 degree weather while you wrapped in a blanket with the heater blasting at night because you wanted to go for a ride. Uncle Walter did. Love you forever. Phyllis

“ *Dear Becky, Angie and Lisa,*

*It takes a village to raise a child and I thank you all for being a huge part of my village. I'm Blessed with so many fond memories from spending countless hours in your home after school and our many rode trips to and from Macomb. Walter was always such a quiet, peaceful man I know he's at peace now. He is greatly missed and will never be forgotten. My thoughts and prayers are with you forever and always.*

*Love,*

“ *Hello Becky this is Mitchell Sledge and Judy from Minneapolis, MN. We are so sorry for your loss and are sad that we cannot be there supporting you and your family during this time. We always met and shared time at the family reunions we held and enjoyed the times we got to share with each other. I recall the one family reunion where you and Judy had the same exact dress on, and you both laughed and said "We both have good taste!" So True! Our prayers are with you and we love you!*
