Hollis, you were so full of life...and such a good fit for your fire cracker woman, Denise. I know for sure that the two of you made the most of the time you had together. Whether you know it or not your loving Denise made senior love a reality and possibility to a LOT of people. Here's hoping there's steppin' up in heaven!

Hollis was a perfect partner for Denise and a pleasure to be around! He was always a lively and upbeat presence and a gracious host. We will all miss Hollis, our honorary book club member. I am holding Denise and all of Hollis' loved ones in the Light.
