“ *Ms. Rice will always be remembered and respected in myself and family's, in our hearts and minds she will be always truly cherished. Ms. Rice was a true Great Friend of my mothers'. They always talked on the phone each other for hours at a time. Ms. Rice and my mom (Mrs. Eldridge and) went places to shop far and near taking buses, trains and cabs with Baby James and Glen intow. When speak of Ms. Rice and the whole family it is always with affection since we grown up you all. We are so proud to have known your mother in our lives. “ Willie, I will always remember the time we had playing bringing in the wood for Aunt Dora to cook, and going to Old Grove Church and stay all day. Don't forget the cotton fields, we had long rows to chop in a big field, you always said "you were going to leave the country", you did that. Willie you said "what you mean and meant what you said. You were so much like , Aunt Ruby. We had fun with Dave. You couldn't play for Dave, he always cried for you. You kept him on your hips, he always cried Willie... Willie... Our last time together You told me "YOU STILL HAD IT!!!"
Willie will always be remembered in our hearts.

God Bless You Family, our Prayers and Thoughts are always with you.

We Love You
