“ *Willie Whitehead. . . thank you so much for being the most amazing, kindhearted, loving person. For years, you have meant so much to those two "Obama Girls", as you had called them! As they grew up, you had been their protector, a listening ear, a celebrator of their successes and so much more. You showed up for them in so many ways. In the words of Frankie Beverly, " we want to thank you for coming our way. Thank you for being who you are. Thank you because you have been our sunshine and truly brightened up our lives." You showed up for us, regardless. As I tearfully send this note, I just want to thank you for making it this way and showing up in our lives. You will always be remembered. Thank you, thank you, thank you.*
