“ *My condolences go out to the family of Zelma during your time of grief. May God give you the strength beyond what is normal to help you to cope with your situation. The Bible has so many examples of dead ones who were brought to life again. This is only a foreshadow of that which is to come. may you find comfort in the words at Acts 24:15 which promises that there is going to be a resurrection. May we all pray for the day to come when the promise at Isaiah 33:24 will be realized, where no resident will say "I am sick" and where in harmony with Isaiah 25:28, death will be swallowed up forever.*
